

**Congressman Ryan Applauds New Allegiant Air Flights from YNG**

(Warren, OH) – Today, Congressman Tim Ryan (OH-17) applauded Allegiant Air’s announcement that it is expanding its service at the Youngstown-Warren Regional Airport (YNG) to include flights to Tampa Bay, FL. With the new destination, the airline will offer new introductory fares as low as \$64.99 one way. Allegiant currently runs flights from YNG to Orlando, FL and Myrtle Beach, SC.

“This is great news for our Valley,” stated Congressman Ryan. “Allegiant Air’s expansion of services in our region is just one more positive sign that our economy is moving in the right direction. And it would not have been possible without a significant level of regional cooperation and the leadership of Chairman and CEO Maurice Gallagher Jr., and President Andrew Levy.”
